A unique programme of physical activity to help cancer patients become more active. Delivered by Macmillan Cancer Support and Live Borders. Research by Macmillan Cancer Support has shown that being active during and after treatment can improve physical and emotional health and help to minimise the side effects of treatment.

The Move More programme is free of charge and is available to anyone who is affected by cancer. There are a range of activities available such as walking, Gentle Movement classes (which uses moves similar to Tai Chi/Qigong), gardening and small group training classes. For further information call Charlotte or Callie the Move More Development Officers on 01896 661166 ext 311 or email movemore@liveborders.org.uk
