

Crailing, Eckford and Nisbet Community Council have agreed an Oil Boiler Servicing rate, as part of our Oil Group Purchasing Scheme, with the following supplier.

BORDER HEAT

Barry Renwick

Border Heat

2 Croft Field, Denholm, Hawick, TD9 8QB

Tel: 01450 860879

Mob: 07980794937

Email: barryrenwick@btconnect.com

Service includes parts & labour £72.60 (incl VAT)

This includes a fuel nozzle.

Any other parts would be chargeable.

Note: This rate would also apply for a condensing boiler.

Credentials

With 15 years of experience in the industry, Border Heat say they will provide you with a first class service at all times. They are also Gas Safe, no 503718 and OFTEC registered for your peace of mind.

Preparation

The boiler needs to be off before the service visit to allow cooling of the combustion chamber

The service includes: Cleaning out the combustion chamber and baffles and checking for damage, stripping down the burner and cleaning the pump, filter, electrodes, fan and casing and the photo cell. Carrying out a combustion analysis and setting air flow /combustion, checking pump pressure and adjusting. Cleaning out oil line filters.

Other Services : Other services are available such as dosing the central heating system with inhibitor (if required), this would be an extra cost.

**PLEASE ADVISE BARRY THAT YOU HEARD ABOUT HIM
