Community Update – Jedburgh & District – PS Ali Granger

PC Anderson has been carrying our patrols in Jedburgh Town Centre due to reports of antisocial behaviour, particularly on court dates. It appears that issues have improved due to Jedburgh Sheriff Court requesting those with court business remain in the building until their cases are called.

Around Bonfire night, PC Anderson also had help from newly trained probationers, who assisted with patrols in relation to Bonfire safety and antisocial behaviour in the Cheviot area. Rural crime patrols were also carried out in Oxnam, Camptown, Carter Bar & Chesters.

PC Anderson also attended the Jedburgh Remembrance Parade earlier in the month, as well as assisting response with several other incidents and enquiries.

PC Tait-Logan and I have also been spending time in Jedburgh Grammar School this month during a very difficult time for the school community. Our thoughts remain with all those involved.

Tackling Serious and Organised Crime

Serious and organised crime enforcement – November 2024

The Scottish Borders CID Proactive Unit executed 6 Drug Warrants across the command area during November, four were positive and 6 persons were charged with drug related offences.

Another industrial sized cannabis cultivation was discovered at a business premises in an industrial estate in Eyemouth. This had a value conservatively of £895,000 and one male was arrested at this premises. A report has been sent to the Procurator Fiscal and this was widely reported in local and national news outlets.

We would like to remind readers of this document that this type of criminality is not only attributed to disused premises but also to premises owned and rented out by unsuspecting landlords and we would ask all persons who own such premises to thoroughly complete their due diligence before renting buildings to anyone, particularly if the rent is agreed as cash payments.

A number of stop and searches were also conducted in identified hotspot area where drugs misuse was prevalent across the Scottish Borders.

Serious and organised crime impacts local communities across the Borders and anyone with information on criminal activity are asked to contact Police Scotland on 101, report it at any Police Station or report it anonymously via the Crime Stoppers Charity.

Winter road safety

Winter means changes in the roads, shorter days, and changing weather.

We all have a responsibility to keep Scotland's roads safe during the winter months.

Advice if you are out walking during winter:

1. Dress for the weather by wearing reflective or bright-coloured clothing so other road users can see you when it is dark, or visibility is poor.
2. If you are walking home late at night, make sure someone knows where you are going and when.
3. Vehicles can take up to ten times longer to stop on slippery road surfaces so take extra care crossing the road.
4. Stick to pedestrian crossings.
5. If there are no crossings nearby, find a place with a clear view and wait for long gaps in the traffic before crossing the road.
6. Don't cross the road between parked vehicles, unless it can't be avoided then take extra care (look out for vehicles that suddenly pull out or reverse)
7. Never cross the road behind a bus.
8. If there is no pavement, keep to the right-hand side of the road so you can see traffic coming towards you.

Advice to consider if you are cycling during winter:

1. Make sure your bike can be seen by people on the road.
2. Use a good set of front and rear lights (white at the front, red at the back)
3. Wear clothes that help you be seen on your bike, such as bright and light reflective items
4. Pay attention to road signs, markings, and particularly red lights.
5. Do not cycle on the pavements, they may be slippery and can also endanger pedestrians.
6. Be mindful of the effects poor weather can have on other road users.
7. Make sure you know about the dangers around you.
8. Cars can take twice as long to stop in wet weather.
9. Braking can be unpredictable in ice and snow.

Advice for drivers during winter:

1. Make sure your car is ready for winter.
2. Check that your tyres, brakes, windscreens, wiper blades and windows are free from defects and clean.
3. Drive to the road conditions. Road conditions can change without warning, stopping distances will be affected by the weather.
4. Make sure your windows are clean and aren't misted up.
5. Make sure there is no snow and ice on your windows before you drive.
6. When the roads are icy, drive at a slow speed in a high gear.
7. Accelerate and brake very gently.
8. Driving distracted (for example, using a Sat Nav) can cause additional stress. It is dangerous to yourself, passengers, and other road users.

CAT Update:

MMW REPORT:

ROAD SAFETY – SBCAT have continued carrying out road checks in numerous locations in the Scottish Borders.

On the 18th of November CAT officers completed a joint static road check with traffic officers. One driver failed the roadside drug test and was arrested. Another had his vehicle seized as it was in a dangerous state of repair.

Speed checks have been completed in several towns near to schools along with foot patrols looking for parking issues at drop off and pick up times, including Newcastleton.

PARKING TICKETS – Officers have been carrying out high visibility enforcement across the Borders and addressing parking concerns there.

Passing attention was given to Galashiels, Selkirk, Kelso and Duns.

RURAL ACQUISITIVE CRIME – We carry out high visibility mobile patrols across rural areas at varying times while completing static road checks. A number of static road checks were completed this month

On the 13th of November the CAT took part in Operation Checkpoint. This is an operation across the North and England and South of Scotland targeting cross border rural acquisitive crime. Several vehicles were stopped but no offences were detected.

ANTISOCIAL BEHAVIOUR – High visibility patrols have continued in targeted areas of the Scottish Borders to address concerns highlighted as per our taskings. This includes outside Jedburgh Sheriff Court on Monday court days.

In response to the ongoing ASB in Burnfoot at Morrison's on Mart Street in Hawick the CAT have been doing plain clothes patrols on the after-school bus from Mart Street up to Burnfoot. During one of these patrols on the 13th of November officers witnessed youths shouting abuse at a family with disabilities. Upon trying to stop the youths they ran off the bus and after a foot chase they stopped them. The youth shouting the abuse was taken home to his parents and he was reported via the vulnerable persons database for a disability hate crime.

During the evening of Saturday 23rd of November CAT officers attended several calls in Hawick and Newtown St Boswells for youths throwing snowballs at homes of vulnerable people. Although the youths made off from police, many were identified and their details were passed to the ASB unit.

As we enter the festive season we have increased our checks of licensed premises especially on Friday and Saturday evenings over the last month.

PROTECTING VULNERABLE PEOPLE – During the previous month several priority arrest warrants were issued by the courts in Jedburgh and Selkirk. These were for individuals who pose a risk to their ex-partners or the public. These are allocated to the CAT to ensure they are arrested as quickly as possible. 3 have been arrested by the CAT this month. With several others handing themselves in after the CAT made enquiries with their family, friends or employer.

DRUG ENFORCEMENT –

On the 12th of November the SBCAT conducted an MDA search in Kelso along with response officers. Unknown tablets were recovered along with a personal amount of cannabis.

On the 21st of November the SBCAT joined a team of over 30 officers from across the South of Scotland and Cumbria Police. This was to execute a series of MDA search warrants in the Borders as part of an enquiry which has taken years to investigate and was targeting a male involved in serious and organised crime. About an hour later the male was traced by 2 of the CAT and arrested. They subsequently found that he was found to be in possession of 5kg of cannabis. The quick arrest prevented him from destroying any evidence.
