## **Community Update – Jedburgh & District**

In February 2026 PC Lawrence has been within the schools in the area dealing with ongoing incidents requiring police involvement.

Along with this he has given inputs to various year groups within the cluster which included - advice regarding hate crime, rights, respect and behaviour and Sextortion. These were well received by all pupils.

Pc Lawrence is always open to working with all the classes and parents regarding any issues that might arise within the school environment.

Community Officer PC Tait-Logan spent the first half of the month on Crucial Crew, as reported on in the last MMWR for January. However, throughout that time she also ensured she kept up to date with Jedburgh community issues, including co ordinating the police response to issues in Blackhills Close and around the town involving an individual. She has also been liaising with Scottish Borders Council regarding an unauthorised encampment at the site of the old Grammar school, which has now been resolved. In addition, she has been helping response colleagues dealing with a number of incidents.
