Join us to excavate and investigate the remains of Bedrule Castle.

We will also be providing targeted skills workshops within this period:

Archaeological Illustration

Sunday 14th November 2021

10.30am-3pm – Bedrule Hall

Join us to learn how to create digital illustrations of archaeological sites, and turn the field drawings from the excavation into publication ready images.

Archaeological Mapping

Tuesday 30th November 2021

10.30m-3pm – Venue TBC

Have you been out walking and found some intriguing remains or sites? Join us to learn how to use free software to record and map archaeological sites.

Engaging the Public

Sunday 27th February 2022

10.30am-3pm – Venue TBC

Join us to take the results further, learn how to engage with the public with new interpretive materials, and site tours

Caring for Heritage

Thursday 18th November 2021

10.30am-3pm – Bedrule Castle

Learn how to care for and look after a local heritage site, understanding the right way to tackle access and vegetation cover.

Telling the Story

Saturday 15th January 2022

10am-3pm – Venue TBC

What do we do with all the information we gather? Learn how to approach interpretation, and help tell the story of Bedrule.

Full joining instructions will be provided before each workshop

All welcome, no experience required. Booking essential.
