Scottish Water invite you to read their newsletter which includes the following topics.

- Engaging over 16,400 in our Shaping the Future survey www.yourwater.scot
- Beginning the roll out of 30 Top up Taps across the country www.scottishwater.co.uk/refill
- Working to supply customers throughout the prolonged warm, dry summer www.scottishwater.co.uk/waterwise

We invite you to add [Business], [History] or [Event] details to our website www.craillingeckfordnisbet.co.uk

just visit the home page, click on the appropriate heading then press the button that starts with [SUBMIT]

and add text and photos - which will, of course, require the approval of our administrator before being launched onto the site - we aim to publish new submissions as quickly as possible.

To include an item in our next e-news email cencomms@hotmail.co.uk

Please forward this email to anyone who may find it of interest.
