Community Update – Jedburgh & District

In June PC Lawrence and partner agencies finalised the summer programme for youths in the area. This consists of activities from active schools, live borders, police, education and employability. A great deal of work has taken place to get funding and volunteers for these events.

Due to the summer holidays ASB patrols will be conducted in the area and police urge members of the public to report any issues that may arise.

PC Tait-Logan has been busy throughout June assisting with Hawick and Selkirk Common ridings and the Peebles Beltane. She is looking forward to the Jedburgh Callants Festival where she will be seen out on the Rideout's helping with the road closures and the safe passage of the cavalcade.

Home Storage -

- Bikes should be stored in a solid, secure structure such as a locked garage.
- Don't rely on one form of security. Multiple layers of security such as locks, CCTV, alarm, anchor bolts and additional garage door locks should be considered.

Away from Home-

- Don't leave bikes unattended on vehicle roof or tow bar mounted bike racks (day or night).
- Bike locks are a great deterrent however are best used in addition to other measures.
- Choose an accommodation provider that has secure on-site bike storage.
- If staying in a camper van, is there space to store your bike(s) inside overnight.

Online-

- Be careful when posting photos of your bikes on social media. Only share with friends.
- Look at security settings of fitness apps such as Strava.

General-

- Have your bike 'Marked' and recorded on Bike Register. Modern bike marking is done with tamper proof stickers with a unique code and visible deterrent.
- Keep photos and serial numbers of your bikes in case you become the victim of bike theft.
